

Weather Cancellation Procedures

Please follow the procedures below when canceling a game due to weather. If a game is canceled within two hours of the start time, you must notify everyone by phone (this includes referee assigners and opposing coaches), please do not rely on emails or text messages. If referees show up to a field because someone failed to effectively communicate a cancellation, the home team will be charged.

- 1. Notify the referee assigners. If you do not receive an email reply, you must call them to confirm that they are aware of the cancellation.**

- 2. Include Ruthie Lavelle on the email chain so that she can update the MYLA web site Rglavelle@aol.com**
- 3. Call the opposing coach to confirm the cancellation and to schedule a make-up. Every effort should be made to up games immediately, do not wait until the end of the season.**
- 4. All coaches must provide their contact information on the MYLA web site so that emails and text messages can automatically communicate any schedule changes. Phone numbers are also needed if the opposing coach needs to contact you.**
