Erik, from Clarksville, Maryland, is a testament to the Thunder soccer club's nurturing environment. His journey in the club spanned from U6 to U18, where he won the Presidents Cup under the guidance of coach Stefan. His career continued at Marriotts Ridge High School, where he played under coach Khouri, winning the county championship in the COVID-19-restricted year. He is currently attending Howard Community College. He looks forward to giving back to the club and community that gave him many great experiences, lessons, and memories. He is very excited to grow and teach the new generation of this club.
