Kyle Simmons, I was born and raised in Laurel, Maryland. I have been playing soccer since I was 3 years old. I am a former thunder player playing for a couple years. I played club and also at Atholton high school varsity soccer for a couple years. I transferred over to Howard community college in 2023 and played one season with Coach Stefan, it's also where I am currently playing still today. I'm really new to coaching but I want to create a community where players can thrive on and off the field. Development in all aspects is very key for these kids to become the best versions of themselves.
