Saa Yarjah being a native to Maryland was born in Silver Spring and raised in Laurel Maryland. His parents are from Sierra Leone, an epicenter for the sport we love and care for and have indoctrinated the sport in their family since he and his brother were babies. Having played in numerous organized soccer settings, Saa has found a home here at Thunder Soccer Club. A main belief that Saa carries is that soccer is like a “brotherhood”. “Leave everything on the pitch for your family”.
