Minutes:

IM – First weekend of games in the books! Looking ahead to Fall season, we are reviewing roster formation, as well as planning to bring home games back to Heebner for all age groups. We will continue to work with local clubs to schedule intra-club games.

Travel Update – Looking for feedback on new evaluation and team formation process. Currently, please remind families of importance of timely invite acceptance. Current feedback is lack of clear communication about entire process. Also, difficult to manage acceptances with other clubs' calendars and may result in unintended backlog. New process beneficial for multi-sport athletes.

Training cancelations/field closures – will try to give as much notice as possible, while balancing canceling unnecessarily.

Treasurer Update – 4 teams are still owed refunds, still in process. Current year is caught up.

Communication/Marketing/Website Updates – Keep sending in photos/team and player accomplishments for social media updates. Magnets/stickers to be ordered. Working on promotional video for Fall.

Scheduling Update – Mt Kirk is avail Mon-Fri. No lining or game use, but is available for practice. Please reserve only ½ field for your team on the reservation system. Future plans: will focus on winter field cleanup in November, with required participation from each team.

Secretary Update – Reviewing and revising Coaches Clearances procedure in order to improve communication and efficiency.

Other Updates – Jake Stankunas is working with EPYSA to help give access back to playing soccer for children with cp/stroke/tbi. Please reach out to Jake (coachjakestankunas@yahoo.com) or epysa directly for more information!

Marc J Small – June 11, please put on Teamsnap. \$20/person (x5). Able to use team budget funds. Each team responsible for donating a basket raffle, guidelines will be sent out from Tournament committee. Volunteers will be needed for setup/breakdown/ref. Snack bar lost donor so reaching out to get donations from each team/sponsors possibly to help with profit.

Next Meeting – June 6, 2022
