Can I play with a Friend?

If you wish to play with a friend on a specific team, put the friends name in the Notes/ Requests box during registration.

There is a chance we can get them on the same team as with any of our sign ups.

We can't 100% guarantee it as the coaches draft their teams, however if you make the request we do our best to honor as many of them as possible.

If you have siblings, in the same age group we will also try to ensure they're on the same team.
