The Concorde Fire Sparks and Flames program is an exceptional co-ed soccer program for children 5-8 years old, conducted by Concorde Fire staff coaches. This program concentrates on providing young players with a solid foundation in basic soccer technical skills. This is achieved through fun and challenging exercises. In addition, we will include small-sided games, give players an opportunity to get a feel for the bigger field and coaches will incorporate the idea of field positioning. There are no tryouts for the Sparks and Flames program and registration is based on space availability.
