
Quakertown Soccer Club Covid-19 Facility Use Guideline

Effective: 09 Aug 2021

1. If any player or spectator is not fully vaccinated please wear a mask when near others while not playing.
 - a. Fully vaccinated means 2 weeks after the final dose of vaccine.
2. If wearing a mask, please follow the following guidance:
 - a. Masks used must fully cover the nose and mouth and secure under the chin.
 - b. Open chin bandana type face coverings are not acceptable.
 - c. For players per EPYSA: gaiters, neck warmers, plastic shields or other personal protective equipment could be considered dangerous and should not be worn to play.
3. Anyone who feels sick, has any symptoms of Covid-19 or has had close contact with a person known to have Covid-19 should not come to QSC fields or facilities until remaining symptom free for 14 days.
 - a. It is requested that players should notify their coach or a QSC Board member of any Covid exposure or symptoms as soon as possible.
 - b. A player is not permitted to return to any QSC event until 14 days post exposure with no signs or symptoms and only with a doctor's note if player has tested positive
 - c. Players that have had contact with a Covid-19 positive case can return prior to 14 days post exposure if after day 7 if they receive a negative test result on a diagnostic test (i.e., PCR, antigen) taken on or after day 5 post exposure
4. All spectators should socially distance as much as possible.
5. Bathrooms and snack stand may be open for use but please maintain social distancing at all times.
