QSC Message from the President:

Folks,

Since our last newsletter we have completed Spring Intramural Season, Special Needs, Travel Tryouts and our 2nd Annual IM Festival. We lucked out on the weather with few IM postponements and our facility looks really great this far in to the summer. Next up is the Sarah Parvin SoccerFest with over 8,000 people and 185 teams converging on QSC for this weekend. We are very excited as this a great community event with a great number of Club Volunteers all pitching in to help. Last, as we enter August, our Travel Teams are gearing up for the Fall, so it is really busy on the fields with teams preparing for not only Sarah Parvin but the many tournaments our teams play in to get ready for League play in September. We hope to see you at SoccerFest, but if not, please have a safe remainder of the summer

A Big Thank You to our Sponsors:

QSC Special Needs Picnic:

In June, the athletes and volunteers from the QSC special needs division celebrated another great season with a picnic at the soccer club. Music was provided by Woody Poles, Sr. Thank you to all of the volunteers that made this season possible. [Click here](#) for more information about how you can get involved.

QSC Intramural Soccer Festival:

Our 2nd Annual IM Festival was a huge success. With over 40+ teams participating, it made for a busy, but rewarding day. The weather was perfect and Rosemarie's Water Ice refreshing. Our snackstand was busy and the skills competitions were fun for the kids.

A special thanks to the facilities team, Scott, Mike, Ron, Randy, Doug & Eric, for the pristine fields, quick turnarounds and closing up shop. Also to the snackstand, Ms. Maria rocked it all day. And lastly to the Field Marshalls, Tracy, Caitlin, Melissa & Steve, & Skills score keepers, Andy, Jacob, Ryan, Emeilia, Kyra, Ron, Randy, Brian, Kassidee, Liz, & Greg. This would not have been possible without everyone's help.

A shout out to the parents of all our players too, we most definitely wouldn't be having this without you!

I'm already looking forward to next year's event!

Many Thanks,

Jim
