Competition	BC Coastal Soccer League	
Coaches	Volunteer Team Coach with technical staff oversight. Parents are encouraged to volunteer to coach their players team. Technical staff provide on field support, practice plans, and other forms of support as requested by volunteer coaches.	
Uniform	Players are provided socks, shorts, and jersey during the first registration of the soccer season (September-June). If players require additional kit, items can be purchased through the club.	
Objective	Players will improve their understanding of what to do in all moments of the games: transition, in possession, and out of possession. Players will focus on developing their passing and receiving technique. Players will compete to increase their agility, coordination, and speed. Players will be nurtured to increase their self-confidence.	
Outcome	Players will be able to pass the ball in reduced spaces, play passing combinations with their teammates, and apply attacking and defending principles in match play. Players will be able to use agility, coordination, and speed movements to their advantage.	
Groups	Players are grouped (placed on teams) with like-minded individuals. Players are assessed in their playing environment and streamed into appropriate team. Teams are formed by technical staff.	
Cancellations	This program is outdoors and on grass. If the grass is closed on the day of an event that event will be cancelled. Refunds will not be provided for events that are cancelled due to field closures.
